Town Crier readers may have noticed, in the preceding few weeks, an extra number of figures and hyroglyphs, in the copy presented to the readers of this paper. Those marks were errors, introduced by the highly sophisticated computer which sets the type for the Town Crier.

The computer, because of her nervous, skittish attitude, has been called Nervous Nellie. She is

sophisticated, yes, but she can forget what she is doing, and gallop off across the country side for a ramble or two.

Nellie had her breakdown yesterday. It was a serious case. Highly-pressed psychiatric personnel from the office of the manufacturer, worked on dear Nellie for six hours. Purportedly she is now completely recovered. No more dollar signs. No more asterisks. Just plain simple English: b%bjzq'ab 4x, % z% jgz. %x,4k,1x vb; 4xqjbp!

### Burlington resumes pumping

The Burlington Reservoir, behind the Burlington Dam, when full has a water level of 144 feet above sea level.

When it is full it holds 550,000,000 gallons, and there is a depth of water in excess of 50 feet. The water is pumped from the Shawsheen River, across land. According to the provisions approved by the State, the Town of Burlington can pump Shawsheen water from January 1 to June 30, when all pumping for the year must stop.

Town Manager Sterling Morris made a trip, yesterday, just to see what was happening at the dam. The reservoir water level was at 135.7 feet—down 8.3 feet from the full mark, but with plenty of water yet behind the dam. And the town of Burlington had resumed pumping the water from the Shawsheen River. Morris was told that it was expected the reservoir would be full in about one month.

He was also told that water had resumed flowing, after the recent rains, behind the home of Walter Rooney, on Chestnut Street.

EDDIE ROONEY. And water from Weeping Hill, from whence water did not come a year ago. He is standing on a plank bridge, over the creek flowing through his back yard.

## School Committee has problems with Chapter 766

A year ago the Wilmington School Committee voted a budget of \$8,284,230, the largest it ever voted. It was understood to be an "18 month" budget, in compliance with the new state law which was changing the fiscal year beginnings of towns and cities from January 1 to July 1.

There was a feeling, at least on the part of some, that the budget to be voted this year would be appreciably smaller, seeing that the town had voted for 18 months in the Town Meeting of a year ago. Such does not seem to be the case.

The School Committee budget, to be considered tonight in the Roman House, is in the neighborhood of \$6 million.

One of the causes to be discussed this evening, is a new state law, Chapter 766 of the Acts of 1973, an act to assist children in the need of Special Education.

In the budget being considered tonight are Non Salary items totalling about \$85,000, and Salary items totalling about \$24,000 for the Special Education aspects, under Chapter 766.

The School Committee is contemplating the hiring of six more persons, under the Salary items, totalling \$54,000.

The \$85,000 for Non Salary items are mostly for services connected with the Special Education act. Included are tuition fees in special schools for the year, and fees for psychological, neurological and medical examinations, most of which will be services under contract to the school committee. Money must also be set aside to cover a provision of the law in that if parents do not agree with the

## Wilmington LWV Open House next Monday

The League of Women Voters of Wilmington will start the new year with a Legislative Open House on Monday evening, January 7th at Rocco's Restaurant. In the past, there have been elected officials from all three levels of government in attendance.

This year with public attention directed toward the energy situation, it would be an opportunity to meet elected representatives and learn when and how to contact them regarding views and questions.

The public is invited to attend. There will be a donation collected to defray the cost of refreshments for the evening.

## ONE OF WILMINGTON'S STATELY HOMES

THE NICHOLS FUNERAL HOME: On Middlesex Avenue, one of the more stately homes in Wilmington, which dates back over 150 years, it having an addition, being built by William F. Butt & Son. The addition is being built on the southerly side, and will enlarge the funeral home.

DOROTHY BOYDEN TO WED STEVEN KENNEDY

Mr. and Mrs. Leonard S. Boyden, of 104 Nichols Street, Wilmington announce the engagement of their daughter, Dorothy Gale, to Steven Earl Kennedy of Columbus, Ohio.

Miss Boyden is a 1972 graduate of Wilmington High School. Both Miss Boyden and Mr. Kennedy are in the Navy and stationed at Cecil Field, Jacksonville, Florida. No date has been set for the wedding.

## THE SDM BUILDING

A new road, completed during the past year, at Jansin Road, off Andover Street, constructed by the John Spinnelli company of Cambridge, and leading to a large industrial development, on the heights opposite the old Knollwood Farm of Tom Duly. The SDM building is visible over the top of the hill—100,000 square feet.

Members of Wilmington VFW would like to remind veterans discharged between January 31, 1955 and June 1, 1966 that they have only until May 31, 1974 to complete training under the GI bill—except for flight, farm, or on-the-job training, who have until August 30, 1975.

St. Dorothy's Ladies Sodality will attend Mass at 7:30 pm on January 8th, following which a meeting will be held in the lower Church hall. Refreshments will be served.

Attending the 7:30 Mass at St. Thomas Church on Christmas Eve was a most heartening experience. There were over 1200 participants and according to Father Mackin, there had never been a greater number of people in the Church. Since, however, the service had been stipulated a "children's Mass", it would have been nice if the people holding youngsters in their arms could have been seated ahead of those who attended without children.

It was a busy holiday season for Mr. and Mrs. Henry Porter of Columbia Street, Wilmington who entertained both children and grandchildren. On hand to join in the festivities (among others) were Airforce Lt. Col. and Mrs. Richard Montgomery (Eileen Porter), from Germany and their daughter Kathy and Susan. Kathy is attending college in Los Angeles and Susan attends Colorado State University. Also on hand were Mr. and Mrs. James Montgomery of Miami, Florida.

Top man in the Wilmington Golden Agers Bowling League this week was Bob Trout with a three-strike total of 318. Second spot went to Bert Miller who topped Joe McElaney by only two pins. There group bowls in Wednesday afternoons and interested seniors are urged to call Joe McElaney for information about joining. There is always room for more.

Frank Darling Sr. of Farnes St. Wilmington is currently a patient at New England Memorial Hospital.

## BROTHER JOE SERVED THE CARDINAL

BROTHER JOE BOGETTA: Photographed last week with Senator Ben MacKenzie.

Brother Joe Bogetta, a man somewhere in his late 20's, and who serves as Deacon in St. Dorothy's church, was to be seen on television Tuesday morning. He was shown on Channel 7, at 9 am on New Years Day, assisting Cardinal Medeiros at Mass, a Mass which was attended by men

from the Sheriff's Office of Suffolk County.

Brother Joe, as he is known, used to work in the Sheriff's Office in Suffolk County, before he decided on the priesthood. It is quite probable that this was the reason he was chosen to be the Deacon, at the Cardinal's Mass.

Brother Joe spends part of his time at St. Dorothy's, and part at the seminary where he is studying for the priesthood. His parents live in Methuen.

# BITS & PIECES

Last week, two Wilmington High School students were caught red-handed in the very act of doing a good deed. Since many of us are prone to pointing the finger of accusation at people in their age bracket, perhaps we should take heart; perhaps things are not quite as bad as they seem.

It is said that the decent teenagers in our society outnumber the bad by hundreds to one and since this story personifies what would probably have been the actions of practically any other team of WHS students, it deserves to be told.

It was Thursday morning and our heroes were strolling around their... east Wilmington neighborhood, doing (as usual) not much of anything, when they spotted smoke seeping from the attic windows of the home of Donald and Carla Hudson, both of whom were known to be at work.

The boys knew that the family cats were usually kept inside the house and that a few weeks earlier, the equally beloved family dog had been killed in a traffic accident. A second tragedy had to be avoided if possible!

Under most circumstances, unauthorized entry would be considered a crime and entering a burning building would be thought foolhardy, but our heroes did both of these. While one ran next door and phoned the fire department, the other entered the house from the rear, found the frightened felines

and dumped them unceremoniously out the door. He then located the blaze which was still confined to a first floor sewing room, doused it with water from the kitchen, and emerged from the building as the fire department arrived.

Both boys were praised by Deputy Fire Chief Danny Wandell and other department members for their quick thinking and prompt action.

Although smoke damage was extensive, serious property loss was averted and the boys received the heartfelt thanks of the home owners.

Mary Alice Woods of Wildwood St., Wilmington, a sixth grade student at the Wildwood School did a commendable job as soloist at the twelve o'clock Mass at St. Thomas Church last Sunday.

The Reading North Reading group of LaLeche League will hold a winter series of daytime meetings this year. The first meeting will be an informal discussion on "The Advantages of Breastfeeding."

The meetings are open to all interested women. Call Mrs. Webb at 961-3780 for information.

Marine PFC Michael B. Dunigan, who wife Deborah is the daughter of Mr. and Mrs. Gerald Livingston of 20 Knollwood Road, Tewksbury has reported for duty at the Marine Corps Air Station at Cherry Point, N.C.

Wilmington Golden Ager Clio O'Brien of Markon Street will observe her birthday on January 13th.

Phil LeDuc of Federal St., Wilmington will observe his birthday on January 13th and Ralph Allen of Lawrence St., Wilmington will be celebrating on January 15th.

Berklee College of Music has enrolled Sven Wiberg, son of Mr. and Mrs. Sven J. Wiberg of 81 St., Wilmington. Sven's curriculum will include courses in arranging, composition, improvisation, solo and orchestral performance, as well as courses in the humanities.

## The Energy Shortage - No Utility Poles?

IT WOULD APPEAR THAT: The energy shortage is spreading, in Wilmington, when one views pictures of two new streets, built during 1973, neither of which seems to have any 'telephone' poles or other wiring. Both are constructed in accordance with the latest Planning Board regulations, in which all utility wiring must be in underground conduits.

Elle Avenue (above) is an extension of Elmwood Village, and a part of the current Jackson Brothers development. Below is Ring Avenue, a part of Cerum Meadows, a development being built by Jay Tighe of Chestnut Street.

## Letter

Dear Parents of Wilmington students:

Recently I read with great interest an article on "Family Life Education" in the Wilmington Public Schools. It cited the desire of this committee to build a curriculum to help children:

a) Have concern for others; b) Deal with peer pressures; c) Develop greater responsibility; d) Share feelings and e) Increase communications.

The article went on to state the bulk of their meetings to date were in discussion and exercises to help determine their goals.

The goals of this committee are not any different from mine as a parent, with one difference...I realize that these are "moral issues" and the total solving of these problems does not lie in secular education.

Now available is a tried and true "Family Education Program" that has proved successful for millions of families. In this program manual these problems are answered as follows:

a) Love your neighbor as yourself, Mk 12:31; b) Do unto others as you would have them do unto you, John; c) We then, that are strong ought to bear the infirmities of the weak and not to please ourselves, Romans 15:1; d) Speak everyman truth with his neighbor, Eph. 4:25 and e) Bear ye one another's burdens, Galatians 6:2.

This manual is available at your local book store. The title, "The Bible."

The American flag stolen from Wilmington Common just prior to Veteran's Day was found last week. It was left in the book drop at Wilmington Memorial Library, and was apparently unharmed.

The turquoise, the birthstone for December was being produced by Egyptians in 3400 BC. The stones were later discovered in Persia. The finest still come from Iran where mines, it is said are still producing as fine specimens as they did 10 centuries ago.

### St. William's Sodality meets January 8

St. William's Sodality will hold its first meeting of 1974, Tuesday, January 8, in the Parish Center.

Prior to the meeting, sodalists are asked to attend the 7:30 pm Mass to be celebrated by the Rev. Patrick Hollywood, spiritual advisor. Members are now chosen to be lecturers during Mass and to bring the gifts to the altar at the Offertory. Novena prayers in honor of Our Lady of Hope will also be recited.

The business meeting will follow with Mrs. Edward Sullivan presiding. Plans for 1974 will be discussed and it is hoped as many members as possible will attend.

Following the meeting, a mini-auction will be held, with Mrs. Timothy Herlihy acting as auctioneer.

If the evening is to be successful, each lady must bring at least one item for the auction, but more if she desires. Bidding is done on a "surprise" basis, therefore, everything must be wrapped. Packages can vary in size and shape and wrapping can be gay or gaudy, anything to deceive the bidders.

Hospital Chairman Mrs. James Mahoney and Mrs. Harold MacDonald will be in charge of refreshments. Bakers for the evening will be Marilyn Kunze, Karen Tulewsky, Eileen Griffin, Marilyn Gattuso, Pat Hennessey, Louise Robbins, Joan O'Connell, Ursula Powers and Joan Belluche.

Blitz for senior citizens, sponsored by sodality, will be held at the Drop-In Center, Wednesday, January 3 starting at 7 pm.

FAME HAS ITS PENALTIES: Rich Kaufman, Tewksbury artist who has designed the medal for the inauguration of Vice President Ford, was fined in the Tewksbury Rotary Club last week, because his name had been in the papers. Kaufman told his fellow Rotarians, after the fine had been inflicted by Bill Wilson (left) that his name had been in 300 newspapers, all over the United States.

THE HUSTLER: A lot of Americans took up playing pool after seeing Paul Newman's film, "The Hustler," but soon dropped the sport. Kevin Hennessey, played the woman's one of the dropouts when he played at the Tewksbury Youth Center.

## REDMEN SCALPING

## Redmen take Christmas title

Friday Dec. 28: The Tewksbury High School basketball team won the Littleton Christmas tournament for the second time in three years as the well-drilled Redmen dumped a tough Acton-Bosboro squad 42-36.

Couch-Tony Romano's quintet reached the championship game by whipping Lincoln-Sudbury on Thursday 72-60.

The championship game was highlighted by the outstanding floor play of senior guard Billy Mackey. Mackey not only led the Redmen offense, but pumped in 16 points as well. Over the two games Bill contributed 26 points to the Redmen cause. Mackey's play was not overlooked by tournament officials as they awarded the MVP trophy to the hustling co-captain.

The other co-captain, Steve Taylor started for the Redmen and pulled down 11 big rebounds while scoring nine points.

The Redmen zone defense was once again the key to victory as the Acton-Bosboro inside game was shut off.

The defensive work of junior forwards, Ted Whitney, Dave

McLeish and Mike Hailson was excellent all night. McLeish also pulled down seven caroms while scoring six points.

The contest was nip and tuck all the way as both teams worked their set plays extremely well. A short jumper by Colonial's co-captain Kevin Regan tied it at 32-32 with 2:44 left in the game. Then little Mackey drove by a half-court trap for a layup to give the Redmen the lead for good. After Mackey made three straight free throws the Redmen took complete control of the game.

With the tourney trophy tucked neatly into their pocket, the Redmen travel to Reading Wednesday to take on Austin Prep and return home Friday to battle the Indians of Billerica.

Short Staff: Tewksbury High School's wrestling team hauled in a Friday afternoon match held at the junior high school. Pins were registered by Steve Gessner, Gary Erskine, Steve Flagg, Gary Hauswirth, and Joe Carroll. Tewksbury's next meet will be January 3rd at home against Lincoln-Sudbury.

## Pucksters handed first loss

Wed. Dec. 19: The Tewksbury High School hockey squad hauled in Lawrence Central Catholic 10-9 behind the scoring of first line Ed Hill, Rick Deschler and Bill McLaughlin as they moved into sole possession of first place in the MVC. Hill had two goals and four assists while Deschler banged home three goals, while handing out three assists. McLaughlin would not be shut out as he scored a goal while adding two assists.

Other goal scorers for the Redmen were Mike Rheault, John Haggerty, Tom Fraser and Fred Carreiro. Tewksbury held a wide 35-7 shot advantage as they totally dominated helpless Central.

Sat. Dec. 22: Billerica controlled play throughout as the Indians handed John Corbett's Redmen their first loss of the young MVC season 4-2. The Redmen's first shot on Billerica netminder Art

Jean didn't come until 0:27 of the second period. Billerica's Brian Bullock broke the scoring "ice" when he tipped a shot behind Tewksbury goalie Mike Hughes. Tewksbury then shocked the Indians by pumping home two quick scores.

John Haggerty tied it at 1-1 at 9:05 as he flipped a short shot over Jean's pads. Kevin Walsh then fired a 60 foot shot into the net off the glove of Billerica's defenseman. Billerica's big gun Bobby Miller tied it at 2-2 at the last period as the Indians started to dominate Tewksbury again.

Bullock then drove the game winning goal past Hughes on a lightning quick wrist shot that hit the crossbar and bounced behind the startled Tewksbury goalie.

Miller added a little insurance as he fired a shot in from the right corner with 1:57 left to play.

## WILMINGTON ADULT HOCKEY

Wed. Dec. 19: The Bulldogs slammed the winless Flyers, 7-2 behind the scoring of Greg Holden (two goals and two assists). Other goal getters for the winners were Eric Thorenson, Steve Fudge, Ed Lucas, Frank Mattley and Jim DeCarolis. Bob Peters and Wayne MacDonald tallied the two Flyer goals.

In the second game of the night, the Vikings topped the Runners, 4-1 as Charlie Arsenault tallied twice and Ed Sobocinski and Wayne Hamilton one each. Fred Bowen spoiled Tony Jankowski's bid for a shut out with his fifth seasonal marker in the opening minutes of play.

Wed. Dec. 26: The WAHL All-Stars whipped Mac & Duff's Braves, 5-2 behind the stout goal tending of Tony Jankowski in a thrilling contest at the Arena. Dan O'Connell led the Allstars with a pair of tallies, while Dave O'Connell, Keith Caples and John Trickett tallied once each. Smokey Lynch, Ed Buckley and Dennis DiMaggio scored singletons for the Braves.

The game was knotted 3-3 entering the final frame, when Caples beat the Braves' net minder, Jim Newhouse at 5:19 to provide the winning goal.

Trickett's tally came with only 54 seconds left to play as the Braves were preparing for the tying tally. Ed Buckley of the Braves and Dan O'Connell of the Stars were the outstanding forwards in the contest, while sharing the spotlight with the respective goalies, Jankowski and Newhouse.

Sun. Dec. 29: In the opening games of the second half the Flyers did something they could not do in the first half, that is win. The Flyers came from behind with three goals in the final six minutes of the contest to edge the Vikings, 5-4. Tom Mazzapica and John Trickett paced the victors with a pair of markers each, while Wayne MacDonald clipped in with a singleton. Dan O'Connell scored a pair for the Vikings and Wayne Hamilton and Bob Dales lit the scoring lamp once each in a losing cause.

In the air cap the Bulldogs hung onto defeat the Runners, 5-4. The Bulldogs led 4-3 with 14 minutes left to play in the game. The Runners closed the gap to 4-3 with Hetch Ernest scoring at 9:30. Ed Lucas scored the eventual game winner at 11:19 on an unassisted tally and with 1:00 left in the game Gary Simpson made it 5-4, but it was not enough.

The other contest, the Red Wings tripped the Leafs, 3-1 behind the scoring of Doug Martyn (two) and Buddy Hubby (one).

Pee Wee A's...The Pee Wee A's dropped a hard fought game to Peabody, 5-3. Goal scorers were Mike Robson, who garnered one in the first period and another in the

## Intramural notes...

Spirites...The division-leading Gulls extended their unbeaten streak to ten with a 2-0 triumph over the Roadrunners.

In other weekend action, the Blades extended their unbeaten streak to four with a 3-1 triumph over the Blazers; the upstart Spurs posted their third win in five outings, edging the Rockets, 5-4; and the Blackrocks slammed the first place Checkers 8-3.

Squirts...The race for the division title is really tight, following last weekend's games as the Reds topped the Americans, 5-0 and the Aces and Clippers battled to a 2-2 draw. The other two clubs involved in the four team scramble for the top spot stayed close, as the Voyagers ripped the Barons, 4-0 while the Bears and Braves battled to a 4-4 tie.

Pee Wee...The Blues romped over the Penguins, 12-3 and the division leading Canucks skated past the Sabres, 3-1 in last Saturday's morning twin-bill at the Arena. In the evening set, the Flyers, tripped the Seals, 5-3 and the No Stars snuffed the Kings four game unbeaten streak edging Coach Collins' sextet, 3-2.

Bantams...The Hawks continued to win, posting their seventh straight triumph, whipping the Bruins, 8-4 while the runner-up Canadians edged the Rangers, 3-2. Kevin Randall and Jim Hogan scored three goals "hat tricks" in leading the Hawks to an easy win. Other goal getters for Coach Jack Foley's club were John Foley, Brian Tower and Pat Fullerton with singletons.

The Canadians were led by goalie Gary Russo on the defensive side of the ledger, while Mike Stemmler, Mike Valente and Ricky Fudge took care of the goal scoring with one marker each. John Bradley and Joe Robarge tallied once apiece for the Rangers. Goal tender Walt Ellsworth turned in another fine performance in the nets for the hard luck Rangers.

In the other contest, the Red Wings tripped the Leafs, 3-1 behind the scoring of Doug Martyn (two) and Buddy Hubby (one).

Pee Wee A's...The Pee Wee A's dropped a hard fought game to Peabody, 5-3. Goal scorers were Mike Robson, who garnered one in the first period and another in the

second. Paul Sonia also lit the lamp with a goal.

In the Saugus league the Pee Wee A's lost 5-0 to a strong Wakefield team.

Intertown action...  
Mite A (7-3-1)...The A's got back on the winning trail after losing two by beating Chelmsford 8-3. In the first period following John Robson's goal Chelmsford tallied twice for a 2-1 lead. However that lead went to nothing as Wilmington pumped in six unanswered goals. Kevin Smith scoring three straight times for his first "hat trick" of the season and John Robson collected his third "hat trick" of the year. Ed Harding finished off the scoring with his second goal of the night. Again Alan Sonnenberg and Pete Gentile were strong in the goal.

Mite B (10-0-3)...The B's opened the second half of the season with their fifth consecutive shut out by hustling Arlington 2-0. After a scoreless first period Ed Olson scored the winning goal assisted by Michael Bryant. Kevin Sullivan topped the scoring in the third period with assists going to Sean Neill and Jay Barrett.

Squirt A (4-4-2)...The A's held a 2-0 lead on goals by Mark Boudreau and Keith Ford but allowed Burlington to come back with three second period tallies for a 3-2 Burlington win last Sunday. Assists went to Bob Lowmyer and Ken MacMullen. Wilmington out shot Burlington 11-12.

Squirt B (3-9-8)...Last Sunday Wilmington came up on the short end losing to Arlington 5-3. The B's scored in each period, in the first it was Frank Neward from John Cushing and Daryl MacDonald. In the middle frame George Boudreau found the range assisted by Jim Conte. Chris

Turner closed out the scoring for Wilmington with an unassisted tally. Both teams were even at 2-2 until the third period where Burlington outscored the B's 3-1.

Pee Wee B (7-4-2)...Dec. 22: Two unassisted goals by Dennis Foley lead Wilmington to a 4-1 triumph over Billerica. The B's were never behind as they rolled up a 4-0 lead. Other scorers were Pete Davey from Mike Beatrice and Paul Boudreau assisted by Foley and Tim McCann.

Dec. 23 it was Foley again as he lit the lamp four times in leading the B's to a 11-1 slaughter of Nashua. Other tallies were by Jim Burns (two), Paul Boudreau, Hoakie LaLiberte, Pete Davey and Rich Robinson.

Dec. 29: "Sneaky Greenberg scored the hat trick" on a penalty shot with only six seconds left to play as Wilmington pasted Acton, 6-2. Jim Burns opened the scoring with a power play goal in the first period assisted by Greenberg and McCann. In the second frame LaLiberte unassisted and in the third period Pete Davey tallied from Rich Robinson.

Dec. 30: In the Tyngsboro League the B's improved their slate to 8-3-1 defeating So. New Hampshire 7-0. For Rick Ballou it was his 15th shut out in 25 outings. Tallies were by seven different people: Foley, Boudreau, McCann, Beatrice, Robinson, Palmer and Burns.

Pee Wee C (4-4-2)...The C's evened their record by bowing to Billerica, 5-2 last Saturday. The highlight of the game from the Wilmington standpoint was the penalty shot by Bill Hanlop in the second period. Bill was awarded the shot after someone threw a stick at him, he replied by putting the puck by the Billerica goalie who replied by getting himself thrown out of the game. Jamie Sheppard also scored in the middle frame assisted by Mark Lanni which made the score 3-2 Billerica. In the third period Billerica added two unanswered markers for the win.

Bantam B (9-1-1)...Last Thursday Wilmington routed Wintthrop 7-0 led by the four goal performance of Billy Blaisdell. Brian Tighe scored the lone marker of the first

John Harrison: Of the Wildcat hockey squad skates in on a second period breakaway. Harrison took around Austin goalie Steve Vasatova and hit the post with a backhand shot.

## Skaters start comeback

Wed. Dec. 26: The Wildcat's upped their slate to 1-2-1-7 as they pulled out a 1-1 tie with Chelmsford. Dana Mullarky picked up a drop pass from Captain John Harrison about 15 feet in front and drilled a shot into the right hand corner of the net at 3:23 of the third period to even the battle at one. The Lions scored early in the second frame.

Wilmington started out strong and in the opening period of the game controlled most of the play. The Wildcats led down in the middle frame and could only muster three shots on the Chelmsford net. The WHS skaters have been out shot 30-16 in the second period in their four appearances thus far.

The pucksters held a 21-15 shooting edge over the Lions. Wilmington's play has improved and the squad has finally started to play like a team. Coach Fessenden has made many different line changes, and was very pleased with the performance of the John Fairweather, Mark and Dino Esposito line.

Sat., Dec. 29: Coach Fessenden's sextet fought a wild see-saw battle

with the Cougars and still could not break out of their four game winless streak as they tied Austin, 3-3. Dan Burns and Jake Tighe scored a goal each in the last minute of the first period to tie the game at two, and John Harrison

added a second period score. Austin scorers were Tom Murphy, Charles Antetomaso and Mark Sheldon.

The Wildcats out shot Austin Prep, 20-17.

## WILMINGTON RECREATION TIDBITS

Ladies Slimastics and indoor golf programs will resume on Tuesday evening, January 8th in the High School gym from 7:30 to 9:30.

Girls ice hockey...  
Sun. Dec. 30...In a battle for the lead the Recs came from behind with a pair of goals in the last five minutes of the game to tie the Andover Squaws, 2-2. Both clubs entered the contest with identical 4-1 records and after the game the two sextets are still deadlocked for the league's top spot.

During the first two stanzas the Squaws outthrust the Recs, and if it were not for Cindy Laquidara's goal tending the game might have been over early. Late in the last frame Captain Janice Gennetti made an excellent rink length move and put the Recs on the board with a neat backhand shot to the far corner, beating Michelle Seracusa in the Andover nets. Nancy Blaisdell picked up the lone assist on the play.

With time running out the Recs frantically put the pressure on and at 8:20 a Squaw penalty provided the Wilmington girls with an opportunity to tie the score. At 9:10 Laura Miller tipped home a Diane Pumfrey drive from the point and the Recs had earned a tie.

Last Friday Burlington drubbed both sextets, 7-0 and 12-0 over the Maroon and Gold sextets, respectively. The Gold unit is now sporting an overall 4-3-2 slate, while the Maroons are winless in six outings. This Saturday morning, the Golds travel to Gloucester to skate against the Cape Ann Skippers. The next MVGL encounter is scheduled for January 13 when the girls travel to Nashua to take on the Leafettes.

**CAR CORNER** by Vern Johnson

Your oil filter should not be expected to last forever. In fact, some experts say that your engine will last longer if your oil filter is changed every time the oil is changed. The oil filter traps much grime and sediment to keep it from entering and clogging your engine. An oil filter on its last legs cannot filter as much oil as efficiently as a new filter.

Consequently, your engine suffers. So do your car a favor and have your filter checked!

Do your car another favor and have it serviced at Wilmington Ford, 275 Main St., Rte. 28, Wilmington, 056-0800. We feature the area's most modern and complete service and parts departments, staffed by long-standing personnel, and all our service work is fully guaranteed; all installed parts are guaranteed for 90 days or 4000 miles. Open sales, 9-10 Mon-Fri; 9-6 Sat, service, 7:30-9 Mon-Fri; 7:30-6 Sat.

Helpful Hint: Clean and re-oil the vent cap on your oil filter every 5,000 miles.

## DOC CHERNOFF TAKES THE TEST

A BREATHALIZER TEST: At Wilmington Station last Wednesday, 1 to 8, Corporal David Brodman, of the Andover State Police Barracks, gave the demonstration to Dr. Chernoff after giving him three drinks. Trooper G.F. Tully, Lynnfield Barracks, introduced the corporal.

If you should get dust or an  
irritating particle in your eye,  
don't try to get it out yourself.

This could be dangerous to you.  
Your attempts may cause it to  
become embedded, and even  
more difficult to remove.

Go to your doctor, who can  
remove it with safety. On a windy  
day when dust is flying, a fine,  
meshed nose veil may help to  
protect your eyes.

Important for your well being

You can buy a special hammer  
used chiefly for ripping woodwork  
apart. The claws are only slightly  
curved, to give better purchase in  
crevices.

Ordinarily you would not need  
both a nail hammer and a rip-  
ping hammer, but a lot of  
specialized ripping could make it  
worth your while to have one.

Also, for wives and daughters  
a ladies hammer. It is used for  
driving brads and small nails.

Supplies for special jobs as well  
as repairs can be found at

## Let's Talk Real Estate

by  
Alan E.  
Fenton,  
Realtor

Arriving at a final agreement as  
to the selling price of a piece of  
property takes a great deal of  
skill and patience.  
Perhaps it is at this stage of the  
game that a real estate broker  
can be of help. It is his job to act  
as a go-between to smooth the  
way between parties during the  
offers and counter offers before a  
piece of property is sold.  
He knows how to avoid mis-  
understandings of all sorts and to  
aid parties in reaching a mutually  
satisfactory agreement.

A. E. Fenton Realty Inc., 104  
Lewell St., Rte. 129, Wilmington,  
658-3221. 844-6457 welcomes your

exposure to qualified buyers for a  
prompt, profitable sale. A complete  
real estate service, we handle

you understand every point.

Frances Hiller, Mrs. Dr. Hiller, was probably better known to previous generations of Wilmington residents than she is to those of today. She was quite a lady - a full fledged MD in the days when the female sex hadn't heard of Florence Nightengale; a lady who revived the cranberry industry of Wilmington, and who excited and titillated the world with her coffins and strange tales, together with allegations of drinking and drugs.

Mrs. Dr. Hiller built her home in Wilmington in 1876, at about the Middlesex Bank parking lot. It still stands, in back, now the property of Attorney Alan Altman, and his office is her former front room, where she used to dress in a burial gown and lie down in a coffin, to admire herself in a mirror on the ceiling.

One thing that can be said for the lady - the present hysteria over a lack of energy wouldn't have bothered her in the least.

When she built her home, with all the gold leaf and gold paneling on the doors, she constructed the first gas lighting system in Middlesex County, with retorts in which to make the gas. She wouldn't be wondering whether or not the gas truck would arrive - she had her own.

Another thing about Mrs. Hiller - and a story in the Christian Science Monitor about a week ago reminded the writer - she had a windmill constructed on her property, for the purpose of pumping water to her home.

The windmill continued in use for years - and was a landmark all around the area. The writer has a photograph, showing the windmill, and the present Masonic Hall, which her husband had constructed for a medical laboratory this in the days when there were four cupolas on the building.

Mrs. Dr. Hiller was not the only owner of a windmill, in Wilmington. There were at least half a dozen of them.

One was at the Aldice Eames farm, now the Stepping Stones Nursery, in East Wilmington, and another (if memory serves correctly) was at the Brad Eames farm, further north.

If the writer remembers correctly there was one at what is now Knollwood Farm, in North Wilmington - it must have been put up by the Haley family, before the Spanish American War.

Another windmill, well remembered in the Silver Lake sector, was at "Pop" Nelson's farm. It stood by the small brook that is now near the Glen Road School, and pumped water to the farmhouse, which was called the Elms. That windmill dated back into the 1880's, and was probably put there by the Boston Ice Company, when that company owned

THE HILLER WINDMILL: Shows in this picture taken by the late Scott Lewis of Church Street over 50 years

ago. He was standing near the Walker School. The Hiller Medical Laboratory is at left. The water in the foreground is from the flooding of the Hiller Cranberry Bog, now Rotary Park.

THE OFFICE BUILDING OF ATTY ALAN ALTMAN: Was formerly the Hiller mansion. The intricate wood carving, under the eaves, was by a Scotsman named MacGeehan, and was done about in the 1880's. The front lower window, west to Dr. Hiller's front room. It was there she had a mirror on the ceiling, and tried out her burial robes, lying in her \$10,000 casket, also carved by MacGeehan.

the old farm. As a youngster the writer can remember the wonderment of having water flow from a faucet in the kitchen, without anyone using a pump. But that water didn't flow very fast.

Today, as the Christian Science Monitor tells the tale, there are some German, French and Swiss engineers who have erected a windmill on the island of Sylt - Sylt is German, westerly of the

Jutland peninsula. Those engineers have spent a lot of money, and are prepared to go into the business of producing windmills, for the purpose of producing electric power. They figure they can produce power from the wind at a cost of 2.2 cents a kilowatt hour.

Which is probably a very fine thing. Did they ever hear of Mrs. Dr. Hiller and her windmill?

ONE OF THE FINER HOMES: Recently constructed by the Jackson Brothers, in their new development north of Shrewsbury Village.
